

Whitehall Junior School Improvement Plan 2024-25: At a glance...for our learners

Key area 1: Giving you the best quality of education possible

What we want to improve:

- 1.1 To ensure you achieve to the very best of your ability, particularly in English and mathematics.
- 1.2 To help you to develop your writing so that it is as good as possible and demonstrates smart handwriting and good spelling.
- 1.3 To improve your reading skills and to use language assessments in Lower School to know the support you need, enabling you to talk well about your reading.
- 1.4 To continue to improve your maths skills and to enable you to feel more confident when handling reasoning problems involving shape.
- 1.5 To support all of you to achieve to your very best, especially when additional support is required.
- 1.6 To track the learning of those of you who follow an adapted curriculum so that your families can see what you are working on.

Key area 2: Ensuring we all behave well and develop great attitudes to learning

What we want to improve:

- 2.1 To ensure that your attendance at school is superb.
- 2.2 To maintain our focus on Ready, Respectful, Safe so that the behaviour across our school is excellent.

Key area 3: Supporting you to enhance your personal development

What we want to improve:

- 3.1 To promote diversity across all that we do.
- 3.2 To update your PSHE lessons with new materials released this year.

Key area 4: Making sure your school is well led and managed

What we want to improve:

- 4.1 To monitor pupil numbers to enable us to plan wisely.
- 4.2 To support all teachers who are new to leading subject areas and to focus particularly on music provision across our school.
- 4.3 To look after our staff as best as possible.
- 4.4 To ensure smooth transition between staff who focus on special educational needs and disabilities.

Key area 5: Making sure your school is safe

What we want to improve:

- 5.1 To ensure that we keep one another safe, especially online.
