

School permits have gone virtual

School permits are now virtual, so you no longer need to display a paper permit in your car when dropping off or picking up your children.

Applying for a permit is now via Hillingdon Council's website at www.hillingdon.gov.uk/parking-permits

Parents can apply for an account through the new system (or log in if an account has already been created) and then apply for a school permit.

Applications are reviewed and approved by your school. Once approved, you'll be able to pay for your permit online.
