

## Chosen Family

Tell me your story and I'll tell you mine  
I'm all ears, take your time, we've got all night  
Show me the river's crossed, the mountain's scaled  
Show me who made you walk all the way here  
(Ooh) Settle down, put your bags down  
(Ooh) You're alright now

**We don't need to be related to relate**  
**We don't need to share genes or a surname**  
**You are, you are my chosen, chosen family**  
**So what if we don't look the same?**  
**We've been going through the same thing, yeah**  
**You are, you are my chosen, chosen family**

Hand me a pen and I'll rewrite the pain  
When you're ready, we'll turn the page together  
Open a bottle, it's time we celebrate  
Who you were, who you are  
We're one and the same, yeah.

**We don't need to be related to relate**  
**We don't need to share genes or a surname**  
**You are, you are my chosen, chosen family**  
**So what if we don't look the same?**  
**We've been going through the same thing, yeah**  
**You are, you are my chosen, chosen family**

(Ah, ah) I chose you, you chose me  
I chose... chosen family  
(Ah, ah, ah, ah) I chose you, you chose me  
We're alright now.

We don't need to be related to relate  
We don't need to share genes or a surname  
You are, you are my chosen, chosen family  
So what if we don't look the same?  
We've been going through the same thing, yeah  
You are, you are my chosen, chosen family

**We don't need to be related to relate**  
**We don't need to share genes or a surname**  
**You are, you are my chosen, chosen family**  
**So what if we don't look the same?**
