

## EVERLASTING LOVE

Hearts go astray, leaving hurt when they go  
I went away just when you needed me so  
Filled with regret I come back beggin' you  
Forgive, forget. Where's the love we once knew?

**Open up your eyes, then you'll realise  
Here I stand with my everlasting love  
Need you by my side, girl to be my bride  
You'll never be denied everlasting love  
From the very start, open up your heart  
Be a lasting part of everlasting love**

(Real love to last forever)

(Real love to last forever)

Ooh, ooh

**Where life's river flows, no one really knows  
'til someone's there to show the way to lasting love  
Like the sun that shines, endlessly it shines  
You always will be mine. It's eternal love  
When other loves are gone, ours will still be strong  
We'll have our very own everlasting love**

(Real love to last forever)
