Dear Parents/ Carers,

Welcoming Accent Catering – Our New School Meal Providers

Dear Parents and Carers,

We are delighted to announce an exciting change to our school meal service. From September 2025, our schools will be partnering with **Accent Catering**, a well-established company known for their fresh, nutritious, and child-friendly meals.

Earlier this term, jointly as Whitehall Infant and Whitehall Junior Schools, we held a catering tendering process where we reviewed the services of four different companies. We even involved some of our junior-aged children in the process, allowing for input from them, too. At the end of the tendering process, Accent Catering emerged as clear winners.

Accent Catering shares our commitment to healthy eating, sustainability, and ensuring every child feels happy and included at mealtimes. Their dedicated team will be preparing daily meals on-site using seasonal ingredients and offering a wide range of options to cater for all dietary needs. I attach to new, exciting menu for the Autumn Term which includes halal, non-halal and vegetarian options.

What to Expect:

- Freshly prepared, tasty menus (both halal, non-halal and vegetarian) with favourites children love
- Vegetarian and allergy-conscious meals
- Emphasis on balanced nutrition and healthy choices
- Friendly catering staff trained to support younger children

To celebrate the start of this partnership, we will be hosting a **Tasting Afternoon** in the first few weeks of term, where parents and pupils can sample dishes and meet the team behind the meals. We are confident that Accent Catering will bring a wonderful lunchtime experience to our pupils and we look forward to your support as we embark on this delicious new chapter.

Yours sincerely,
Mrs Moloj
