

Year 4 Optional Extension Tasks – Summer Term

Please find below a list of optional extension tasks which your child may like to complete during this term. As you know, we have our essential weekly homework tasks (outlined in your Welcome Booklet) and the family-friendly 'Weekend Wonders' passport card. For those parents or pupils who thrive on more in-depth study, try out some of the ideas below. Your class teacher would love to see the final result, however, formal feedback will not take place as these are optional extensions.

During this term in geography, we are learning about Volcanoes.

Can you create your own fact file based on a volcano located in Europe?

Last term, we looked closely at different forms of poetry. Can you remember any?

Why not challenge yourself and create a poem about your favourite place or favourite object?

Remember to use some of the poetry techniques learnt, such as alliteration, rhythm, rhyme, onomatopoeia etc.

This term in English, we will be reading 'Street Child'. To help you increase your understanding of how life was in London during the Victorian times, try visiting the Ragged School Museum with your families. Also, why not research Dr. Thomas John Barnardo and Queen Victoria to find out more how they helped shape our education system in England.
